

For Immediate Release

INDIANA RAIL ROAD WELCOMES ASSISTANT VICE PRESIDENT, ENGINEERING

Indianapolis, IN, Thursday, July 7, 2022 –The Indiana Rail Road Company (INRD) announces **Bryant McCuan** as Assistant Vice President, Engineering. McCuan’s addition will compliment and strengthen the current leadership construct while additionally supporting future growth initiatives.

McCuan brings vast and varied experiences to his new position at INRD. A military veteran, he was hired by Canadian National (formally Illinois Central Railroad) in 1998 and held a wide breadth of maintenance and engineering positions including track laborer, track foreman, bridgeman and carpenter. In 2001, McCuan was promoted to management, where he held multiple positions of increasing responsibility during his tenure at Canadian National which extends nearly 22 years, encompassing welding supervisor, track supervisor and senior manager of engineering.

Working closely with Peter Ray, Vice President of Engineering, McCuan will oversee INRD’s track infrastructure, as well as the development and implementation of capital improvement plans that meet the Company’s current and future strategic needs.

“Bryant’s extensive engineering and rail experience in addition to his unparalleled development and mentoring skills make him an advantageous fit for INRD,” said Dewayne Swindall, president and CEO of The Indiana Rail Road. “His addition to the team further strengthens our growth plans.”

The Indiana Rail Road Company is a privately held, 500-mile railroad which serves southwest Indiana and eastern Illinois, connecting the entire North American rail network via strategic gateways at Chicago, Indianapolis and Newton, Ill. For more information on the railroad and its community involvement, visit www.inrd.com or find us on Twitter, Facebook, and Instagram.
